**PROJECTS,SEMINAR, INTERNSHIPS**

- Evaluation of Academic Performance (Mini Project)

(Guide:Dr. Aditya Pai H. , Nov'22 - Dec'22)

Objective: Evaluating the academic performance of students.

A console application suitable for small institutions will help compare the marks of different subjects of different students, which could help finalize the least-scored subject, highest-scored subject, and many others, based on the use case.

<https://github.com/chyash1110/Evaluation-of-academic-performance.git>**ACADEMIC ACHIEVEMENTS AND CERTIFICATIONS**
